

# THE American Journal of Gastroenterology

## INDEX TO VOLUME 50

JULY - DECEMBER 1968

PAGE 1—516

### SUBJECT INDEX

#### A

##### Abstracts:

Esophagus .....	148, 323
Intestines .....	150, 245, 324, 403, 497
Liver and Biliary Tract .....	74, 154, 251, 498
Miscellaneous .....	406
Pancreas .....	254, 329
Stomach .....	74, 149, 243, 402, 497
Absorption, Intestinal Lymphoid Tissue Activity During .....	30
Adenomas of the Colon .....	186
Adult Hypertrophic Pyloric Stenosis .....	382
Antibiotics, Patient Isolator Systems in Cancer Chemotherapy: The Use of High-Dose "Nonabsorbable"— in the Reduction of Bowel Flora .....	195
Ascites, Lymphatic Decompression Therapy of "Intractable" .....	47
Atlas der Klinischen Enzymologie (Book Review) .....	256
Atlas of X-ray Diagnosis of Early Gastric Cancer (Book Review) .....	408

#### B

Basophilic Responses in Mucosal Colitis and in Transmural Colitis, <i>In Vivo</i> Study of the Inflammatory .....	431
Benign and Malignant Disease: Metastatic Malignant Melanoma and Cholecystitis and Cholelithiasis .....	307
Biopsy, Intrahepatic Hematoma Following Liver— by the Menghini Technic .....	131
Blood Lipid Reductions after Subtotal Gastrectomy .....	95

**Bowel:**

— Flora, Patient Isolator Systems in Cancer Chemotherapy: The Use of High-Dose "Nonabsorbable" Antibiotics in the Reduction of . . . . .	195
Nonspecific Stenosing Small— Ulcers: Experience in one California County . . . . .	449
Small— Perforation in Blunt Trauma: Its Relationship to Previous Laparotomy . . . . .	279
Bronchitis and Emphysema, Study of Gastroduodenal Abnormalities in Chronic . . . . .	289

**C**

Cancer Chemotherapy, Patient Isolator Systems in— : The Use of High-Dose "Nonabsorbable" Antibiotics in the Reduction of Bowel Flora . . . . .	195
Carcinoma of the Pancreas, A Correlative Study of Proven— in 83 Patients . . . . .	456
Chemotherapy, Patient Isolator Systems in Cancer— : The Use of High-Dose "Nonabsorbable" Antibiotics in the Reduction of Bowel Flora . . . . .	195
Cholecystitis, Benign and Malignant Disease: Metastatic Malignant Melanoma and— and Cholelithiasis . . . . .	307
<b>Cholelithiasis:</b>	
Benign and Malignant Disease: Metastatic Malignant Melanoma and Cholecystitis and . . . . .	307
Complications of . . . . .	476
Chronic Pancreatitis: Clinical Recognition and Medical Treatment . . . . .	63
Chronic Ulcerative Colitis: Comparison of Cases Before and after World War II . . . . .	208
Cirrhosis, The Development of Postshunt Hemochromatosis—Parenchymal Siderosis in Patients with— Occurring after Portasystemic Shunt Surgery . . . . .	13
Clinical Study of Intestinal Bilharziasis ( <i>Schistosoma Mansoni</i> ) in Africa, A (Book Review) . . . . .	256
<b>Colitis:</b>	
Chronic Ulcerative— : Comparison of Cases Before and after World War II . . . . .	208
In Vitro Study of the Inflammatory Basophilic Responses in Mucosal— and in Transmural . . . . .	431
Postoperative Course of Patients with Ulcerative vs. Granulomatous . . . . .	177
Surgical Management of Ulcerative— in Children . . . . .	125
Therapeutic Problems of Ulcerative— with Hyperthyroidism . . . . .	116
Colon, Adenomas of the . . . . .	186
Columnar-lined Esophagus, The . . . . .	303
Complications of Cholelithiasis . . . . .	476
Correlative Study of Proven Carcinoma of the Pancreas in 83 Patients, A . . . . .	456

**D**

Development of Postshunt Hemochromatosis—Parenchymal Siderosis in Patients with Cirrhosis Occurring after Portasystemic Shunt Surgery, The . . . . .	13
Development of the Lung (Book Review) . . . . .	76
Diabetes Mellitus and Gallstones with Special Reference to Insulin Assay . . . . .	214
Diagnostic Procedures in Gastroenterology (Book Review) . . . . .	156
Duodenal Bulb, Obstructing Giant Trichobezoar Involving Stomach and . . . . .	297
Duodenum, Granular Cell Myoblastoma of the . . . . .	397

**E**

Emphysema, Study of Gastroduodenal Abnormalities in Chronic Bronchitis and . . . . .	289
Endocrinology of the Testis (Book Review) . . . . .	76
Endoscopy in the Diagnosis of Gastric Lymphoma and Sarcoma . . . . .	37

Enigma of Upper Gastrointestinal Hemorrhage, The .....	366
Esophagus:	
Columnar-lined—, The .....	303
Squamous Papilloma of—: Case Report and Review of the Literature .....	391
Exogastric Leiomyosarcoma, Traumatic Rupture of an .....	144

## G

Gallstones, Diabetes Mellitus and— with Special Reference to Insulin Assay .....	214
Gaseous Digestive Conditions (Book Review) .....	407
Gastrectomy, Blood Lipid Reductions after Subtotal .....	95
Gastric Lymphoma and Sarcoma, Endoscopy in the Diagnosis of .....	37
Gastric Perforation, Reticulosarcoma of the Retroperitoneum,— and Steroids .....	372
Gastric Secretion. Mechanisms and Control (Book Review) .....	257
Gastroduodenal Abnormalities, Study of— in Chronic Bronchitis and Emphysema .....	289
Gastrointestinal Hemorrhage, The Enigma of .....	366
Gastrointestinal Tract, Villous Tumors of the Upper— : Clinical Review and Report of a Case .....	135
Granular Cell Myoblastoma of the Duodenum .....	397
Granulomatous Colitis, Postoperative Course of Patients with Ulcerative vs. ....	177

## H

Handbook of Congenital Malformations (Book Review) .....	156
Hematoma:	
Intrahepatic— Following Liver Biopsy by the Menghini Technic .....	131
Perihepatic .....	387
Hemochromatosis, The Development of Postshunt— Parenchymal Siderosis in Patients with Cirrhosis Occurring after Portasystemic Shunt Surgery .....	13
Hemorrhage, The Enigma of Upper Gastrointestinal .....	366
Hemorrhagic Pancreatitis, Renal and Hepatic Pathology in .....	315
Hemosiderosis of the Liver, <i>Porphyria Cutanea Tarda</i> in Association with— : Iron Absorption Studies and Evaluation of Therapy by Phlebotomy .....	202
Hepatic Pathology, Renal and— in Hemorrhagic Pancreatitis .....	315
Hyperthyroidism, Therapeutic Problems of Ulcerative Colitis with .....	116

## I

Ileus and Ileusartige Zustände im Frühen Kindesalter (Book Review) .....	407
Incidence of Peptic Ulcer Complications: Their Relation to Climate and Age .....	107
Infant Nutrition (Book Review) .....	156
In Memoriam:	
Badia, Pasquale D. ....	224
Booth Heinbach, Anne .....	224
Grisinger, George F. ....	73
Moeller, Hugo C. ....	73
Rossett, Nathaniel E. ....	73
Tocci, Frank P. ....	224
Insulin Assay, Diabetes Mellitus and Gallstones with Special Reference to .....	214
Interpretive Enzymology (Book Review) .....	256
Intestine, Venous Insufficiency of the Small— Secondary to Sarcoidosis of Mesenteric Lymph Nodes .....	69

Intestinal Lymphoid Tissue Activity During Absorption .....	30
Intrahepatic Hematoma Following Liver Biopsy by the Menghini Technic .....	131
<i>In Vivo</i> Study of the Inflammatory Basophilic Responses in Mucosal Colitis and in Transmural Colitis .....	431
Iron Absorption Studies, <i>Porphyria Cutanea Tarda</i> in Association with Hemosiderosis of the Liver: — and Evaluation of Therapy by Phlebotomy .....	202

## L

Laparotomy, Small Bowel Perforation in Blunt Trauma: Its Relationship to Previous .....	279
Leiomyosarcoma, Traumatic Rupture of an Exogastric Liver:	144
— Biopsy by the Menghini Technic, Intrahepatic Hematoma Following .....	131
— Disease, Serum Guanase in Diagnosis of .....	55
<i>Porphyria Cutanea Tarda</i> in Association with Hemosiderosis of the— : Iron Absorption Studies and Evaluation of Therapy by Phlebotomy .....	202
— Scanning .....	355
Lymphatic Decompression Therapy of "Intractable" Ascites .....	47
Lymph Nodes, Venous Insufficiency of the Small Intestine Secondary to Sarcoidosis of Mesenteric .....	69
Lymphoid Tissue, Intestinal— Activity During Absorption .....	30
Lymphoma, Endoscopy in the Diagnosis of Gastric— and Sarcoma .....	37

## M

Management of Foreign Bodies in the Food and Air Passages (Book Review) .....	256
Melanoma, Benign and Malignant Disease: Metastatic Malignant— and Cholecystitis and Cholelithiasis .....	307
Menghini Technic, Intrahepatic Hematoma Following Liver Biopsy by the .....	131
Mucosal Colitis, <i>In Vivo</i> Study of the Inflammatory Basophilic Responses in— and in Transmural Colitis .....	431
Myoblastoma of the Duodenum, Granular Cell .....	397

## N

Nematode Infections, Some Host Responses to .....	442
News Notes .....	73, 221, 322
Nonspecific Stenosing Small Bowel Ulcers: Experience in one California County .....	449

## O

Obstructing Giant Trichobezoar Involving Stomach and Duodenal Bulb .....	297
--	-----

## P

Pancreas, A Correlative Study of Proven Carcinoma of the— in 83 Patients .....	456
Pancreatitis:	
Chronic— : Clinical Recognition and Medical Treatment .....	63
Renal and Hepatic Pathology in Hemorrhagic .....	315
Papilloma of Esophagus, Squamous— : Case Report and Review of the Literature .....	391
Parenchymal Siderosis, The Development of Postshunt Hemochromatosis— in Patients with Cirrhosis Occurring after Portasystemic Shunt Surgery .....	13
Pathology, Renal and Hepatic— in Hemorrhagic Pancreatitis .....	315

Patient Isolator Systems in Cancer Chemotherapy: The Use of High-Dose "Nonabsorbable" Antibiotics in the Reduction of Bowel Flora .....	195
Peptic Ulcer, Incidence of— Complications: Their Relation to Climate and Age .....	107
Perforation, Reticulocellsarcoma of the Retroperitoneum, Gastric— and Steroids .....	372
Perihepatic Hematoma .....	387
Phlebotomy, <i>Porphyria Cutanea Tarda</i> in Association with Hemosiderosis of the Liver: Iron Absorption Studies and Evaluation of Therapy by .....	202
<i>Porphyria Cutanea Tarda</i> in Association with Hemosiderosis of the Liver: Iron Absorption Studies and Evaluation of Therapy by Phlebotomy .....	202
Portasystemic Shunt Surgery, The Development of Postshunt Hemochromatosis— Parenchymal Siderosis in Patients with Cirrhosis Occurring after .....	13
Postoperative Course of Patients with Ulcerative vs. Granulomatous Colitis .....	177
Postshunt Hemochromatosis, The Development of— Parenchymal Siderosis in Patients with Cirrhosis Occurring after Portasystemic Shunt Surgery .....	13
Punktat-Morphologie und Differentialdiagnose der Hepatitis (Book Review) .....	157
Pyloric Stenosis, Adult Hypertrophic .....	382

## R

Renal and Hepatic Pathology in Hemorrhagic Pancreatitis .....	315
Reticulocellsarcoma of the Retroperitoneum, Gastric Perforation and Steroids .....	372
Retroperitoneum, Reticulocellsarcoma of the— , Gastric Perforation and Steroids .....	372
Rezeptertaschenbuch der Diatetik (Book Review) .....	500
Roentgenologic Diagnosis (Book Review) .....	156

## S

Sarcoidosis, Venous Insufficiency of the Small Intestine Secondary to— of Mesenteric Lymph Nodes .....	69
Sarcoma, Endoscopy in the Diagnosis of Gastric Lymphoma and .....	37
Serum Guanase in Diagnosis of Liver Disease .....	55
Siderosis, The Development of Postshunt Hemochromatosis—Parenchymal— in Patients with Cirrhosis Occurring after Portasystemic Shunt Surgery .....	13
Small Bowel Perforation in Blunt Trauma: Its Relationship to Previous Laparotomy .....	279
Some Host Responses to Nematode Infections .....	442
Squamous Papilloma of Esophagus: Case Report and Review of the Literature .....	391
Stenosis, Adult Hypertrophic Pyloric .....	382
Stomach, Obstructing Giant Trichobezoar Involving— and Duodenal Bulb .....	297
Study of Gastroduodenal Abnormalities in Chronic Bronchitis and Emphysema .....	289
Surgical Management of Ulcerative Colitis in Children .....	125

## T

Therapeutic Problems of Ulcerative Colitis with Hyperthyroidism .....	116
Thiamine Deficiency (Book Review) .....	156
Transmural Colitis, <i>In Vivo</i> Study of the Inflammatory Basophilic Responses in Mucosal Colitis and in .....	431
Trauma, Small Bowel Perforation in Blunt— : Its Relationship to Previous Laparotomy .....	279
Traumatic Rupture of an Exogastric Leiomyosarcoma .....	144
Treatise of Diagnostic Radiology (Book Review) .....	407

Trichobezoar, Obstructing Giant— Involving Stomach and Duodenal Bulb . . . . .	297
Tumors, Villous— of the Upper Gastrointestinal Tract: Clinical Review and Report of a Case . . . . .	135

## U

Ulcer, Incidence of Peptic— Complications: Their Relation to Climate and Age . . . . .	107
Ulcers, Nonspecific Stenosing Small Bowel— : Experience in one California County . . . . .	449
Ulcerative Colitis:	
Chronic— : Comparison of Cases Before and After World War II . . . . .	208
Surgical Management of— in Children . . . . .	125
Therapeutic Problems of— with Hyperthyroidism . . . . .	116
Ulcerative vs. Granulomatous Colitis, Postoperative Course of Patients with . . . . .	177

## V

Venous Insufficiency of the Small Intestine Secondary to Sarcoidosis of Mesenteric Lymph Nodes . . . . .	69
Villous Tumors of the Upper Gastrointestinal Tract: Clinical Review and Report of a Case . . . . .	135

## W

Wasser- und Elektrolytfibel (Book Review) . . . . .	407
---	-----

## INDEX TO AUTHORS

### A-B

- Abrams, Harold ..... 476  
 Ansari, Azam ..... 456  
 Arora, O. P. ..... 289  
 Barker, Wiley F. ..... 125  
 Betsakis, John ..... 256  
 Battaille, William G. ..... 135  
 Bennett, Leslie ..... 355  
 Berg, M. ..... 107  
 Berkowitz, Donald ..... 95  
 Bianchi, Leonardo ..... 157  
 Bourgeois, Louis D. ..... 195  
 Brenner, Stephen M. ..... 303  
 Bresler, E. H. ..... 387  
 Briere, Russell O. ..... 256  
 Brown, Charles H. ..... 156  
 Brown, Mary Oliver ..... 442  
 Burch, G. E. ..... 456

### C-D

- Carbone, John ..... 116  
 Coodley, Eugene ..... 55  
 Cooley, Norman ..... 449  
 Davidson, Franklin Z. ..... 303  
 deReuck, Anthony V. S. ..... 76  
 Dickson, Delbert R. ..... 13  
 Dreiling, David A. ..... 279

### E-F

- Ecker, Jerome A. ..... 13  
 Finkelstein, William E. ..... 315  
 Foman, Samuel J. ..... 156  
 Fonkalsrud, Eric W. ..... 125  
 Font, Robert G. ..... 387

### G-H

- Gelb, Alvin M. ..... 315  
 Gelfand, Michael ..... 256  
 Gilbert, J. A. L. ..... 257  
 Glasgow, Joseph L. ..... 131  
 Gray, Percival A. ..... 13  
 Hamper, Eileen ..... 214  
 Harrison, R. C. ..... 257  
 Haskin, Marvin E. ..... 156  
 Hawk, William A. ..... 431

- Hazen, John G. ..... 195  
 Heath, H. ..... 107  
 Hegglin, Robert ..... 407  
 Heilmeyer, L. ..... 500  
 Hentel, William ..... 391  
 Holtmeier, H-J ..... 500

### I-J

- Johnson, Robert A. ..... 131

### K-L

- Kapoor, C. P. ..... 289  
 Kark, Allan E. ..... 186  
 Kleinhaus, Sylvain ..... 297  
 Lanza, Frank L. ..... 37  
 Lee, Bok Y. ..... 397  
 Levin, Phillip ..... 125  
 Levitan, Alexander A. ..... 195  
 Levy, Jerome S. ..... 208  
 Lipman, Max P. ..... 177  
 Long, D. ..... 47  
 Luibel, Francis ..... 449

### M-N

- Madden, John L. ..... 397  
 Maurer, Robert M. ..... 382  
 McKittrick, James E. ..... 13  
 Mejicano, R. ..... 47  
 Meltzer, Saul S. ..... 382  
 Monroe, Lee S. ..... 63  
 Mora, Lidio O. ..... 131  
 Muehlbauer, Michael A. ..... 297, 372  
 Myerson, Ralph M. ..... 69  
 Necheles, H. ..... 107  
 Nelson, Robert S. ..... 37  
 Nevius, Donald B. ..... 177  
 Newman, Herbert F. ..... 476  
 Northup, Jane D. ..... 476  
 Norton, James J. ..... 214

### O-P

- O'Connor, Maeve, ..... 76, 156  
 Panish, Joel F. ..... 177  
 Paradny, Robert ..... 186  
 Pollock, Joseph H. ..... 407  
 Porter, Ruth ..... 76

Powell, J. Ronald .....	116	Smith, Lowell R. ....	214
